## ADULT CONNECT GROUPS

### Who are You in Christ?

For many today, Christianity is about morality, knowledge, or social connections. But for first-century Christians it was first about identity with Jesus —being like Him, following after Him, doing what He did, saying what He said, and obeying His commands.

As you experience the book of Mark, many of your preconceptions about Christianity may be challenged. You may find yourself faced with difficult questions about what it actually means to be a follower of Jesus. All of this can continue to help shape you as a believer and lead you in to a more intimate walk with Christ.

Check out the Connect Group list below.

There are a variety of groups from which to choose.

Find the group that best relates to you!
